

Wozair Group Environmental Policy Statement

Wozair Limited is committed to protecting, preserving and restoring the Environment and believes that this is vital to our present and future success. We aim to create a better Environment through the regular monitoring of our products and services. Through Environment Management we will continually seek the most efficient process to control and reduce waste.

The Board of Directors at Wozair Limited have overall accountability for the Environmental Management System and all employees are required to adhere to this policy.

Our policy is to:

- Minimise and control our waste, then reuse or recycle as much of it as possible.
- Setting and reviewing Environmental Objectives and Targets.
- Comply with all applicable Legal Environmental Legislation and other requirements relating to Environmental Aspects.
- Minimise energy and water usage in our buildings, vehicles and processes in order to conserve supplies, and minimise our consumption of natural resources, especially where they are non-renewable.
- Apply the principles of continuous improvement in respect of air, water, noise and light pollution from our premises and reduce any impacts from our operations on the environment and local community.
- Preventing, controlling and reducing pollution wherever possible.
- Ensure our employees are informed, trained and aware of their Environmental responsibilities.
- Assess the Environmental Impact of any new processes or products we intend to introduce in advance.
- Wozair Limited are committed to maintaining BS EN ISO 14001:2015 certification.
- Making our Environmental Policy, Aspects and Objectives available to interested parties.
